

R E M A R K S

Reconsideration of this application, as amended, is respectfully requested.

ALLOWABLE SUBJECT MATTER

The Examiner's indication of the allowability of the subject matter of claims 12 and 14 is respectfully acknowledged.

Claim 12 has been amended to be rewritten in independent form to include all of the limitations of its parent claim 6 and intervening claim 9, and claim 14 has been amended to be rewritten in independent form to include all of the limitations of its parent claim 13.

In addition, claims 7 and 10 have been amended to depend from claim 12, and claim 15 has been added to correspond to the subject matter of claim 5 depending from claim 12.

Still further, new claim 16 has been added to recite the subject matter of original claim 12 as indicated to be allowable in the Office Action dated November 17, 2004. That is, new independent claim 16 recites the subject matter of original claim 12 without reciting the "another image" operated together with the "real image" that was added to claim 6 in the Amendment filed on February 17, 2005, and without reciting the subject matter of original claim 8, which was added to claim 6 in the Amendment filed on August 4, 2005.

No new matter has been added, and no new issues with respect to patentability have been raised.

Accordingly, it is respectfully submitted that amended independent claims 12 and 14, new independent claim 16, and claims 7, 10, 11 and 15 depending from claim 12, are now all in condition for immediate allowance.

Respectfully submitted,
